Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents/carers.

The Governors of St John Vianney Catholic Primary School are committed to providing the best education for all and will endeavour within reason and as funding resources allow, to ensure that all activities offered wholly or mainly during the school day are available to all students, regardless of their respective parent's/carer's ability to pay. However, Governors reserve the right to request voluntary contributions from parents/carers and in the event of insufficient funding, to cancel an activity.

This policy has been formulated in accordance with the provisions of sections 449-462 of the Education Act 1996, which contains the legislation on charging for school activities in schools maintained by local authorities in England, and section 27 of the Education Act 2002, which enables governing bodies of maintained schools to provide community facilities and to charge for some of those services.
