News

Congratulations Willow on completing the Summer Reading challenge, you must have read lots of books.

Well done to Elinor Tyson for doing good and listening in gymnastics, we may have a future Olympic champion.

- Lateral flow test kits are available from the school office, one per family. We would encourage families to test twice a week and report the results via Report a COVID-19 rapid lateral flow test result - GOV.UK (www.gov.uk). This is especially important at present due to a high number of cases within school and as a school community we have had to implement enhanced covid measures up until the 5th October. Please help to keep our school community safe!
- Should your child develop any covid symptoms or should test positive please inform school as soon as possible, emails are monitored over the weekend. stjohnvianney@sthelens.org.uk
